FLOOR PLAN

SCALE: 1/4"=1'-0"

CRIDER CONSTRUCTION CO.,INC.

GENERAL NOTES

1. Consult with local building code that plan size and details conform to all requirements.
2. Owner is responsible for supplying all steel beams, plates and angles, as required by plan.
3. All interior dimensions are from face of stud to face of stud.
4. Written dimensions on these drawings shall have precedence over scaled dimensions and the dealer or contractor shall verify all dimensions before proceeding with construction work and shall notify the CRIDER Drafting Dept. of any discrepancies before work is performed.
5. Grade Elevations and Frost Footing Heights to be determined by local code or special lot requirements.
6. It is imperative that construction drawings are used in conjunction with house plans.
